

Research Online

Research Online is the University of Wollongong's open access, digital archive promoting the research output of University staff.

Submitting Material

1. Go to Research Online

<http://ro.uow.edu.au> or, use the local Ezyproxy link from the Library access page:

<http://www.library.uow.edu.au/services/UOW026590.html>

2. Click on the **Faculty or Administrative Unit** link
3. Select a unit collection e.g. **Faculty of Informatics - Papers**
4. Click on **Submit Research** under **Authors Corner** in the bottom right of the screen
5. Log on – if you are a new user carry out the following steps:
 - a. Click on the **MY ACCOUNT** button on the left-hand side of the home page
 - b. Click on **NEW USER? Create a free account**
 - c. Enter data to create your NEW account and click on **Sign Up**
 - d. Complete this process by entering the code sent to your email address
 - e. Log in to Research Online by entering your full **email address** and special Research Online **password**.

6. After logging in, follow the steps on the screen.

Enter information such as : Author, title and publication details.

Attach an electronic copy of the paper, as a PDF or Word document.

We require the version of your paper as accepted for publication – NOT THE PUBLISHER'S PDF.

7. The Library will check your submission for copyright compliance and publisher permission prior to final uploading.
